Dear Parents and children

Spread the good news.

There is so much about our school that we are immensely proud of. Most importantly the relationship that we have within the school community, children, staff, parents and leaders. Also the shared ambitions that we have for the children in the school and the opportunity to them to '*Let their light shine*'.

At the start of the year Mrs Bush asked parents to help our publicity campaign in spreading the Good news about our school community with friends, families and people who may not know about how special Holy Trinity School is.

In December 2018, Ofsted inspected the school and the inspector judged that the school was better than good and that we should have another inspection.

Due to the disruption of Covid we have been waiting longer than we anticipated and on 12th October the school was inspected and judged to be **OUTSTANDING** in all areas.

Under the current Ofsted inspections this is a significant achievement that we all should be so proud of and congratulations to our whole school community.

I want to thank the children who bring life and enthusiasm to our school every day and truly are our ambassadors. The staff, who are an amazing team, who everyday have the energy and determination to find solutions to succeed, under the inspiring leadership of Mrs Bush. Our leaders and governors that constantly reflect what's working well and are restless to make further improvement.

So I invite you to read the report and spread the good news. Tell your friends, family and those who don't know what an amazing place this **OUTSTANDING** school is.

Kindest regards

Simon Knowles
Executive Headteacher
